

Medical Facility Experience and Expertise

Our team has decades of experience when it comes to delivering accurate building documentation for medical buildings. **We've had the privilege to work on some of the most historic and high profile medical facilities in the United States**, and we know what's required to get the job done right. Below is a selection of relevant projects we have measured and modeled in recent years.

1. **Johns Hopkins Medical Center**, Baltimore, Maryland
2. **Brigham and Women's Hospital**, Boston, Massachusetts
3. **Massachusetts General Hospital**, Boston, Massachusetts
4. **Rex Medical Center**, Durham, North Carolina
5. **Tufts University Medical Center**, Boston, Massachusetts
