

Specialty Projects Experience and Expertise

Our team has decades of experience when it comes to delivering accurate documentation for specialty projects. **We've had the privilege to work on some of the most historic and high profile specialty projects in the United States**, and we know what's required to get the job done right. Below is a selection of relevant projects we have measured and modeled in recent years.

1. **Steel Beam from North Tower of 1 World Trade Center**, New York, New York
2. **USS Growler Cruise Missile Submarine**, Intrepid Air and Space Museum, New York, New York
3. **Native American Canoe Exhibit**, American Museum of Natural History
4. **The Tiffany House**, Boston, Massachusetts
5. **Fort Matanzas**, St. Augustine, Florida
