

BETTER CYBER-SAFE THAN SORRY

THE DANGERS OF SEXTING

Understand the emotional consequences of sexting.

“Sexting” is when you or **someone sends a sexually explicit photograph** or video of themselves via their mobile phone or online. What might seem like harmless fun, if widely re-shared, can soon turn into a nightmare! Break the chain. If you receive it, delete it and never re-share. **STOP.THINK.REPORT.**

In online situations, it is **better to be Cyber-safe than sorry.** To learn about the dangers of sexting, visit www.gov.ky/cybersafe
