

BETTER CYBER-SAFE THAN SORRY

# SPOT THE SIGNS OF CHILD ONLINE EXPLOITATION

As online connectivity expands, so do the crimes against children.

“**Child exploitation**” Whilst the Internet has been a positive catalyst for innovation, education, and economic growth, it has also enabled online predators to remain anonymous and **target children with online grooming**. **Stay Alert! Look out for any signs** and start the conversation with your child. **TALK.ASK.LISTEN.**

In online situations, it is **better to be Cyber-safe than sorry**. To learn how to spot if your child is being exploited online, visit [www.gov.ky/cybersafe](http://www.gov.ky/cybersafe)
