

BETTER CYBER-SAFE THAN SORRY

IF IT'S TOO GOOD TO BE TRUE, IT PROBABLY IS

Have you received an SMS
Text telling you, you've won
a competition?

“Smishing” is when SMS text messages are sent to your mobile phone to deceive you into believing that **you have won a competition, won money** or pretending to be from legitimate organisations, such as, government agency or bank. You may be asked to respond by calling a telephone number or providing your personal details. Never take the bait! **STOP.THINK.REPORT.**

Report to RCIPS Tel: 911.

In online situations, it is **better to be Cyber-safe than sorry.** To learn how to protect yourself from Smishing scams, visit www.gov.ky/cybersafe
