

SAUVAGE
Upholstery Leather

hillmann.

About the leather

SAUVAGE is a soft, full-grain leather with a pleasantly smooth grip. The surface of the leather has been refined by an effect design with a slight surface finish. The elaborate manufacturing process makes this leather the ideal furniture leather for the highest demands. SAUVAGE shows a timeless sense of style and blends perfectly with various styles of furnishing. Its thickness of 1.0 - 1.2 mm creates a unique grip.
