

Subject: Op ed from AmTrav's Craig Fichtelberg

Subtitle: A better stimulus, a cohesive plan and a little luck

Hi Elliott,

I want to share with you an article that I wrote for The Company Dime on the state of travel and how we can bounce back from COVID. Spoiler alert: I'm optimistic. Certain ideas in this op-ed are in the news this week in the WSJ and on Capitol Hill, including improvements to PPP for small businesses, and the roll-out of more comprehensive plans for TSA, airlines and airports.

It will take some strong leadership, agreement on protocols, and a bit of luck along the way. Check out the full article [HERE](#)!

All the best,

Craig
