Hi Elliott,

This morning the states of New York, New Jersey and Connecticut issued a new travel advisory. Starting at midnight tonight, these states will require all travelers entering from states with Covid-19 spikes to quarantine for 14-days upon arrival. As of now, this order applies to travelers arriving from these nine states:

- Alabama
- Arkansas
- Arizona
- Florida
- North Carolina
- South Carolina
- Washington
- Utah
- Texas

Our team is proactively reaching out to all travelers with trips impacted by the quarantine restrictions and will work closely with you to help you navigate this development. We are here and ready to help if you have any questions or concerns.

Respectfully,

Rebecca Gavin
