

Stay Connected & Healthy with Medical Messenger!

How Does Medical Messenger Work?

- Medical Messenger sends you simple text messages or automated phone calls to check in on your blood sugar and basic needs.
- Your responses are seen by your Care Team at Brother Bill's Helping Hand so they can reach out and support you when you need it most.
- You can receive messages or calls to your smartphone, landline, or basic cellphone.

How Do I Enroll?

In the coming weeks, you will get a phone call from 214-915-0381 or a text message to help you enroll in Medical Messenger.

Why Should I Enroll in Medical Messenger?

- A great way to stay connected with your Care Team between doctor appointments
- Your messages arrive at a time that you choose. It only takes a few minutes each week to respond to messages.
- Medical Messenger helps you stay healthy from the comfort of your home.
- Medical Messenger is a free service. You will never pay for messages or phone calls!
