FOR IMMEDIATE RELEASE:

Retailsphere completes research of ALL retailers and shopping centers in Richmond VA

Innovative software platform helps landlords identify thriving retail businesses around the Richmond, VA metro.

-

Retailsphere, the world's largest database dedicated to the retail ecosystem, has completed primary research on all shopping centers, malls, retail businesses, individual retail units, real estate companies, franchisors, franchisees and national brands with operations in the greater Richmond, VA metro area.

The Retailsphere application represents the primary tool available for commercial real estate professionals focused on retail. In addition to a database of all entities involved in retail in the Richmond metro, Retailsphere's platform includes tools that assist landlords in finding and marketing to the ideal tenants for their spaces.

The Retailsphere database for the Richmond metro includes over 8,000 individual units representing over 48,000,000 square feet of space in more than 270 centers and malls. Find over 300 national brands and over 2,200 key decision maker contacts in the Retailsphere platform.

About Retailsphere: Founded in 2018, Retailsphere provides more comprehensive retailer data and retail related news than any other platform available in the industry. Retailsphere's retailer profiles give shopping center owners, leasing executives, and commercial real estate brokers the data they need to analyze the market and make strategic business decisions when approaching potential tenants.
