

Click TSP or PT Check-Ins from the navigation menu and view all Check-Ins that have been submitted for the domiciled facility. Click the FILTER button to open the Filters menu and adjust to view additional facilities.

The screenshot shows a web application interface for "TSP Check-Ins (My Facility)". At the top, there is a search bar and a "FILTER" button (callout B). Below the search bar, there are several filter tabs: "CHECK-IN FACILITY" (callout A), "CHECK-IN STATUS", "PROCESSED", "PT / TSP", "DOCUMENT TYPE", and "DRIVER CHECK-IN". A table of check-ins is displayed with columns: Check-In ID, Check-In Status, Facility ID #, Driver Name, Driver ID, Driver Phone #, Truck Number, Assigned Trip, and Has Inbound. Callout C points to the "Driver Phone #" column, and callout D points to the "Assigned Trip" column. On the left side, a "Filters" menu is open, showing various filter categories like "Check-In Status", "Processed", "PT / TSP", "Document Type", "Available", "Location", "Document Type", "Company", "Load Number", "Division", "Processed", "Employee Id", "Received On", "Has Inbound", "Team / Single", "Has Outbound", "PT / TSP", "Check-In Status", "O/B TMS Ref #", and "Check-In Facility". The "Team / Single" filter is currently selected, showing a search bar and two options: "Single (5)" and "Team (4)".

A REAL-TIME INFO: All Check-Ins will be displayed real time. As filters are adjusted, the table will update. When TSP or PT personnel check-in from the mobile app, a new row will appear in "Submitted" status and will need to be reviewed/confirmed by Linehaul.

B FILTERS: Click the FILTER button to open the filter menu to narrow down check-ins.

C DRIVER PHONE #: If issues or communication is needed, the TSP/PT personnel's phone number is displayed on the check-in.

D ASSIGNED TRIP: Once a Check-In has been assigned to a Trip, the Check-In screen will display the value of the Trip that it has been assigned.
