

Pharmacy Week 2020

OCTOBER 18-24

Music is Medicine Monday*

Dreaming of starting a band? Now's your time to shine! Pick a song that can be related to pharmacy or medicine (just keep it clean). Shoot a 30 second lip-sync video on your phone starring your co-workers as bandmates. We'll post the videos on our Chancy Drugs social media pages. The band with the most likes on their video by end of day Friday wins free lunch!!

Pharmacy Tech Tuesday

It's National Pharmacy Tech Day! Write a special note, bring them a snack, or find another creative way to tell a pharmacy tech how much you appreciate them!

Wellness Wednesday*

How do you stay healthy? Maybe you drink plenty of water every day, or make sure you exercise often. Or maybe you take your medicine like your doctor and pharmacist tells you to. Send us a picture of you performing a healthy habit. We'll post the pictures on the new Chancy Drugs employee page and on our social media.

Throwback Thursday*

Think of your favorite throwback picture! Would your co-workers recognize you? Let's give it a shot! Submit your picture with your name, and we'll post the pictures on our employee page.

Football Fan Friday

It's finally football season! Who are you rooting for? Whether you're a high school, college or pro football fan, show your team spirit by wearing a t-shirt or jersey that represents your favorite team.

*Send pictures and videos to Megan at 229.403.9193 or via email meganpowell@chancydrugs.com
