

Storage Solutions for Auto Dealerships, Retail & Repair Shops

Sales Offices

Service Areas

Service Counters

Reception Areas

Americans love their cars. With millions of vehicles on the road, automotive dealerships, repair shops, and retail stores have the challenge of keeping up with our demand for cars, spare parts and the need to keep our vehicles looking good and running smoothly.

Aurora can help with storage for dealership offices, repair shops and retail outlets for the DIY weekend mechanic.

Here's What You Can Expect From Aurora Storage Products

- Unique automotive storage solutions
- Reliable, short leadtimes
- Eco-friendly & Eco-safe powder coat finish
- Superior product engineering
- Exceptional Fit & Finish
- Extensive breadth of sizes & colors
- Antimicrobial finish options
- A Limited Lifetime Warranty

Aurora Storage manufactures products for a whole range of shelving and storage systems for the automotive industry. From bins and carts for pick parts, to larger mobile shelving systems for retail and repair parts, to customer files and auto loan documentation, Aurora has a space efficient and cost effective solution.

Our products have proven to be an exceptional investment for our automotive clients. Our quality stands up to the rigors of intense use and products can be changed, moved and counted on to last for decades.
