

Aurora Wide-Lok™ Wide Span Shelving provides a strong, durable storage solution for larger and heavier objects such as:

- Bankers Boxes
- Museum Artifacts & Sculpture
- Large Police Evidence
- Military Ready Bags
- Bulk Storage

Our Wide-Lok Shelving uses standard closed uprights\* and features 8 shelf widths and 5 shelf depths. Just as with regular Quik-Lok Shelving, Wide-Lok assembles with minimal tools.

There are two options available with Special Beam and Stabilizers that allow for a wider span for weight loads from 1100-1800 lbs. for 1800 Series and 510-1100 lbs. for 1100 Series.

- Mix Wide-Lok with Standard Shelving
- Mobile Ready Option
- 31 Standard Colors with no VOCs
- Colors match to all Aurora Products including Shelving, Mobile, Times-2, and Museum Cabinets

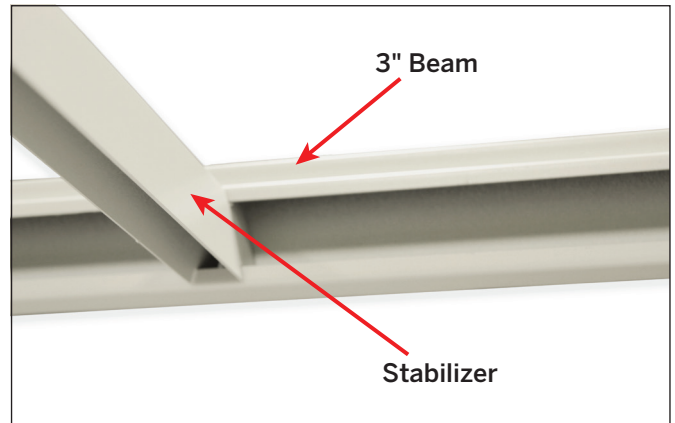

*\*Special Wide-Lok Open Uprights are also available. Consult Customer Service.*

## Sizes

<b>Decking Depths</b>	15", 18", 24", 26", 30", 32", 36"
<b>Decking Widths</b>	54", 60", 66", 72", 78", 84", 90", 96"
<b>Upright Heights</b>	40¼", 64¼", 76¼", 85¼", 88¼", 97¼", 100¼", 121¼"

## Features

**Decking Options include Steel or End User Supplied Plywood**

**Deck packages come preconfigured in 12" and 18" wide segments based on overall span width.**

## Ordering Aurora Wide Span is Easy

Include these components to make a complete unit.

### ① Order Closed Uprights\*.

Ex.: 2476CL00 24" x 76¼" (2 needed for a Starter)  
 2476CT00 24" x 76¼" (1 needed for each Add-on)

*\*Special Wide-Lok Open Uprights are also available. Consult Customer Service.*

### ② Order Beam and Stabilizer Packages.

The same Beam and Stabilizer Package is used for 1800 Series or 1100 Series.  
 Order one package for each opening plus a lower beam package.

*Example: The images below have 4 openings, so order 4 beam packages and 1 lower beam package.*

Part#: **WWDDWSBP00** Ex.: 54" Width and 24" Depth = 5424WSBP00  
 Lower Beam Package\*

Part#: **WWDDWSBLP00** Ex.: 54" Width and 24" Depth = 5424WSBLP00  
*\*For Mobile Ready units you must order a lower beam package as well.*

### ③ Order Steel Decking.

Check the Load Capacity Chart to select which will work best for your application – 1800 Series or 1100 Series

**1800 Series:** **WWDDWSSP00** Ex.: 54" Width and 24" Depth = 5424WSSP00

**1100 Series:** **WWDDWSSLDP00** Ex.: 54" Width and 24" Depth = 5424WSSLDP00

### ④ Optional Zinc Plated Floor Anchors.

Order 2 per upright. 2 shelving fasteners are supplied but floor anchors supplied by end user.

Part#: **129300** WIDESPAN FLOOR ANCHOR PKG

Wide-Lok integrates seamlessly with Aurora Mobile, Shelving, and Collections Cabinets

**1800 Series Weight Load Capacity**  
**Manually and Uniformly Loaded Steel Decking**

**1100 Series Weight Load Capacity**  
**Manually and Uniformly Loaded Steel Decking**
