

Belize (BE) Series

advantage: ergonomics | use: clean room, static control/ESD, various workspaces

The Belize (BE) Series delivers the right chair for just about any environment—ergonomic for long days and durable for long-term, money-saving performance. The features of this series allow its use in education, healthcare, laboratory, industrial and office settings. 13-year warranty.

- Cloth and vinyl upholstery styles available to match various workspace requirements.
- Concave seat with seat board bumperguard..
- Meets CAL 117 fire retardant standards. Treatment to meet CAL TB 133 available as an option (not available in California).
- Black powder-coated paint finish standard on metal parts.
- Pneumatics are available to provide low, medium and high seat height ranges to accommodate many task requirements.
- High-profile Euro-look base with T-shape construction for added strength and easy cleanability.
- Dual-wheel non-marring polyurethane casters resist movement when the chair is unoccupied, enhancing workplace safety by inhibiting seating from rolling away.

- 23" diameter tubular steel (S style) base with 21" diameter affixed footring.

- 25.6" diameter, high-profile cast aluminum (A style) base.

- 25.6" diameter, high-profile reinforced composite (R style) base.

- 28.7" diameter, high-profile wide aluminum (W style) base.
