

SHAPE

SWIFTSPACE

www.swiftspaceinc.com

1. Adjustable Surface

Table surface can be folded down and used as a whiteboard (if selected surface material). Stored easily at 24" in size.

2. Height Adjustment

Easily adjust from a sitting to a standing position. Range from 21.9" to 48.1" with the push of a button. There are four pre-set height adjustments available.

3. Power and Data

Comes standard with undersurface mount powerbar. An optional trough contains a detachable power bar with six electrical outlets and a 15 ft power cord that can be plugged into any regular electrical outlet. Can add an additional 40 amps and on-surface power/data. The shape can also be equipped with the Trac4 circuit power system.

4. Accessory Rail

For mounting monitors, shelves, paper slots and binder storage.

5. Visual Privacy

Panels can be added to ends or to the back of the station to increase privacy. Various materials available.

6. Worksurface

Standard depth is 24" or 30". Standard length is 48", 60" or 72". Various worksurface materials available including a writable surface at no additional charge.

7. Mobile Storage

Complete line of mobile pedestals, storage towers, and lateral files available.
