

Joshua Swinnerton

Executive Director and Product Manager International

Josh has extensive experience leading and managing sizeable IT ventures, both within large companies, as a consultant, and as the technical and operational lead of start-up companies. Prior to founding MedAdvisor, Josh was the Chairman and CTO of technology start-up DeskActive Pty Ltd which he also founded and sold into the US based DeskActive, Inc, raising funds in the US for the company's expansion and managed software development.

Prior to founding DeskActive Josh held senior software engineering positions in a number of large IT companies. At Oakton he was Technical Architect and Team Leader in a multimillion dollar project for a major client, while at Unico Computer Systems and AdvaTel Josh held senior positions as a Software Engineer. During this time Josh has gained valuable experience in bridging the gap between innovative technology and business objectives. Josh also has extensive skills in building and managing exceptional development teams.

Josh has a Masters of Entrepreneurship and Innovation from Swinburne University of Technology, Grad Cert of Product Engineering from IRIS, a Bachelor of Computer Engineering (Hons) and a Bachelor of Computer Science both from Melbourne University.
