3. Project Eligibility Criteria	
(Please note these criteria will be assessed as pass/fail – a fail against one of these criteria will result in the project being rejected)	
<p><b>3.1 Relevance and strategic fit</b> (max. 100 words) State how the project will contribute to UK PACT's desired <b>Outcome</b> of enhanced and sustained action on emissions reduction.</p>	
<p>(max. 100 words) State how the project will address the scope of this Nigeria – UK PACT thematic window. Please ensure you have read and understood <a href="#">the full description of the scope</a>.</p>	
<p>(max. 100 words) In the wake of the Covid-19 pandemic, state how the project will promote a greener, fairer, and more resilient future.</p>	

<p><b>3.2 Official Development Assistance (ODA) eligibility</b> (max. 100 words) State briefly how the project will contribute to a reduction in poverty, enhanced sustainable development and/or improved welfare of Nigeria's population.</p>		
<p><b>3.3 Duration</b> State the total expected timescale for the project, including the estimated project start and end date.</p> <p>Project proposals shall be funded for at least one year of activity. Funding beyond the initial 12 months is not guaranteed, but we welcome proposals that can demonstrate how a project might be extended to further years with additional funding. Implementers should also indicate in their proposals if they intend to lengthen their project through other sources, such as co-funding.</p>	<p>Start date of UK PACT funded project</p>	<p>End date of UK PACT funded project</p>
	<p>Start date of total project (if different)</p>	<p>End date of total project (if different)</p>
<p><b>3.4 Total value of funding sought</b> State the total GBP (£) cost to UK PACT for the duration of the project and give a summary of what this will fund. If your proposed project duration is longer than 12 months, please breakdown the value by year. This should not exceed £1,000,000 per year. Please refer to the guidance material to review the eligible costs for the fund.</p>	<p>Value Year 1</p>	<p>Explanation</p>
	<p>Value Year 2 (if applicable)</p>	
	<p>Value Year 3 (if applicable)</p>	

4. Potential for Transformative Change	
(Please note a limit of 150 words per criterion will be enforced – responses will not be read beyond the 150th word)	
<p><b>4.1 Political will and local ownership</b> Describe the level of support and buy-in from <i>Primary and Secondary Beneficiaries</i> including national, regional and municipal level Government, political groups, business, social and community groups, etc. You are encouraged to annex any letters of support for your project from local stakeholders to demonstrate this.</p>	
<p><b>4.2 Leverage</b> Describe how the project will encourage and equip the beneficiary groups and/or wider stakeholders to take increased action to reduce emissions.</p>	
<p><b>4.3.1 Sustainability</b> Set out how the project will create impact beyond the period of UK PACT funding. Outline key mechanisms, including how the project can be <b>replicated at scale</b> and what the <b>legacy</b> is of the project once UK PACT support ends. For example, demonstrating how the project will facilitate future finance flows, or how it will be financially self-sustaining after the duration of the project</p>	

<p><b>4.3.2 Multi-year funding</b>          Where relevant, please outline what the project would deliver if the funding was available for up to 3 years instead of 1 year. This should include a high level project plan and a description of what the project would hope to achieve in a 3 year timeframe.</p> <p>Please note, for the purposes of this question please assume a maximum budget of £1,000,000 per year.</p> <p>Please note: projects which, because of their nature, are fixed at 12-months duration or less, do not need to answer this question. Not answering will not affect the scoring of EOs.</p>	
<p><b>4.4 Novelty</b>          How is your project novel? For example, how does it apply an existing concept to a new market? How does it demonstrate a new way of doing something?</p>	
<p><b>4.5 Gender and inclusion</b>          How will the project do no harm (ensure that each intervention will not lead to unintended negative gender and/or discrimination impacts) and meet the needs of women and marginalised groups? How are gender and inclusion issues considered and addressed in project tasks and Outcomes?</p>	

5. Deliverability	
(Please note a limit of 150 words per question will be enforced – responses will not be read beyond the 150th word)	
<p><b>5.1 Experience</b> Describe why you are well-placed to deliver this project including the knowledge, skills and experience within your team and the relevant networks you have in-country.</p> <p>This includes ability to deliver in the Nigerian context.</p>	
<p><b>5.2 Risks</b> Provide brief details of any <i>severe</i> or <i>major</i> risks to the success of the project and how these will be mitigated.</p>	
<p><b>5.5 Co-funding (if applicable)</b> Provide brief details of any co-funders for the project (i.e. source and amount) and list the inputs that are being co-funded by other stakeholders.</p>
