

UK PACT Green Recovery Challenge Fund - Project Expression of Interest Bid – 2020

0. How did you hear about us?				
0.1 How did you hear about the UK PACT Green Recovery Challenge Fund? Please select all relevant options	LinkedIn	<input type="checkbox"/>	Email	<input type="checkbox"/>
	Webinar	<input type="checkbox"/>	Personal recommendation	<input type="checkbox"/>
	Spoken communication	<input type="checkbox"/>	Internet search engine	<input type="checkbox"/>
	Through an organisation/embassy			<input type="checkbox"/>
	Organisation/embassy name:			
0.2 Did you attend a UK PACT Green Recovery Challenge Fund event?	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
0.3 If yes, provide details (e.g. date, venue, audience)				

1. Contact Details			
1.1 Lead implementing organisation			
1.1.1 Full name of implementing organisation	e.g. The Green Finance People Ltd.	1.1.2 Lead contact first name	e.g. Jenny
1.1.3 Lead contact phone number		1.1.4 Lead contact surname	e.g. Smith
1.1.5 Lead contact e-mail address		1.1.6 Lead contact business title	

1.1.7 Registered address	
1.1.8 Country of registration	
1.1.9 Size of organisation (number of employees)	

1.2 Partner implementing organisation(s) (please list more than one if needed)			
1.2.1 Full name of implementing organisation	e.g. The Green Company Ltd.	1.2.2 Contact first name	
1.2.3 Contact phone number		1.2.4 Contact surname	
1.2.5 Contact e-mail address		1.2.6 Contact business title	
1.2.7 Registered address			
1.2.8 Country of registration			
1.2.9 Size of organisation (number of employees)			

1.3 Engagement with UK PACT Programme	
<p>1.3.1 Is the lead implementing organisation, or any of the partner implementing organisations applying to any of these other UK PACT Programmes? <i>Organisations that have applied for funding through other UK PACT Programmes are also eligible to apply for funding under the Green Recovery Challenge Fund.</i></p>	
Country Programmes	
Skill-Shares and Secondments Programme	

1.4 Conflicts of interest					
1.4.1 Please declare any conflicts of interest or type 'N/A' (not applicable)					
Name of person or organisation	Type of Interest	Description of Interest	Dates of interest: from	Dates of interest: to	Actions to be taken to mitigate risk
e.g. The Green Company Ltd.	Drop-down options: 1. Financial 2. Non-financial professional 3. Non-financial personal 4. Indirect - a close relationship (e.g. spousal) with someone who holds one of the above relationships				

2. Project Details	
2.1 Project title	
2.2 Total project budget (GBP) <i>Overall budget for the project in GBP. This should include any co-funding.</i>	

<p>2.3 Project geography <i>In which country or countries will the project be delivered?</i></p>	
<p>2.4 Issue the project is seeking to address <i>Give a brief explanation of the issue the project will address. (max. 200 words).</i></p>	
<p>2.5 Project Outcome <i>State in one clear and succinct sentence the positive change(s) the project aims to achieve (max. 50 words).</i></p>	
<p>2.6 Project summary <i>(max. 500 words)</i> <i>Describe briefly:</i></p> <ul style="list-style-type: none"> - The project <i>Outputs</i> - A summary of <i>Inputs</i> and <i>Tasks</i> that are needed to deliver the <i>Outputs</i>. <p><i>Describe timing of Outputs.</i></p>	

3. Project Eligibility Criteria

(Please note these criteria will be assessed as pass/fail – a fail against one of these criteria will result in the project being rejected)

<p>3.1 Relevance and strategic fit <i>(max. 200 words)</i></p>	
---	--

<p><i>State briefly how the project will contribute to UK PACT’s desired Outcome of enhanced and sustained action on emissions reduction.</i></p> <p><i>State how the project will address the theme of this Green Recovery Challenge Fund window.</i></p> <p><i>In the wake of the Covid-19 pandemic, describe how the project will promote a greener, fairer, and more resilient future.</i></p>	
<p>3.2 Official Development Assistance (ODA) eligibility <i>(max. 200 words)</i></p> <p><i>State briefly which ODA countries the project will be delivered in and how the project will contribute to a reduction in poverty, enhanced sustainable development and/or improved welfare of the country’s population.</i></p>	
<p>3.3 Duration</p> <p><i>State the total expected timescale for the project, including the estimated project start and end date.</i></p> <p><i>Note: Projects will only be funded for up to 12 consecutive months.</i></p> <p><i>If your project duration exceeds 12 months in duration due to co-funding, please specify both overall timescales of the project and the duration, start and end date for which UK PACT Green Recovery funding is applied for (up to 12 months).</i></p>	
<p>3.4 Total value of funding sought</p> <p><i>State the total GBP (£) cost to BEIS for the duration of the project and give a summary of what this will fund.</i></p>	

<i>This should not exceed £500,000.</i>	
---	--

4. Potential for Transformative Change	
(Please note a limit of 200 words per criterion will be enforced – responses will not be read beyond the 200th word)	
<p>4.1 Political will and local ownership <i>Describe the level of support and buy-in from Primary and Secondary Beneficiaries including national, regional and municipal level Government, political groups, business, social and community groups, etc. You are encouraged to annex any letters of support for your project from local stakeholders to demonstrate this.</i></p>	
<p>4.2 Leverage <i>Describe how the project will encourage and equip the beneficiary groups and/or wider stakeholders to take increased action to reduce emissions.</i></p>	
<p>4.3.1 Sustainability <i>Set out how the project will create impact beyond the period of UK PACT funding. Outline key mechanisms, including how the project can be replicated at scale and what the legacy is of the project once UK PACT support ends. For example, which other countries could the project and its results benefit and how?</i></p>	
<p>4.3.2 Follow-on funding <i>Where relevant, please outline what the project would look like in the event of a possible UK PACT extension</i></p>	

<p><i>i.e. the long-term vision for delivery beyond the end of December 2021 if UK PACT funding were to continue.</i></p> <p><i>Please note, for the purposes of this question please assume a project end date of up to 31st January 2024 and a maximum budget of £500,000 per year.</i></p> <p><i>Please note: projects which, because of their nature, are fixed at 12-months duration or less, do not need to answer this question. Not answering will not affect the scoring of EOIs.</i></p>	
<p>4.4 Novelty <i>How is your project novel? For example, how does it apply an existing concept to a new market? How does it demonstrate a new way of doing something?</i></p>	
<p>4.5 Gender and inclusion <i>How will the project do no harm (ensure that each intervention will not lead to unintended negative gender and/or discrimination impacts) and meet the needs of women and marginalised groups? How are gender and inclusion issues considered and addressed in project tasks and Outcomes?</i></p>	

<p>5. Deliverability</p>	
<p>(Please note a limit of 200 words per question will be enforced – responses will not be read beyond the 200th word)</p>	
<p>5.1 Experience</p>	

<p><i>Describe why you are well-placed to deliver this project including the knowledge, skills and experience within your team and the relevant networks you have in-country.</i></p> <p><i>This includes ability to deliver in the language of the target country.</i></p>				
<p>5.2 Risks <i>Provide brief details of any severe or major risks to the success of the project and how these will be mitigated.</i></p>				
<p>5.3 Why UK PACT? <i>Have you applied for funding for this project elsewhere? Please provide details.</i> <i>What would happen if this project was not funded by UK PACT?</i></p>				
<p>5.4 HMG Funding <i>Have you received any funding from Her Majesty's Government (HMG) or delivered any other Official Development Assistance (ODA) projects in the past three years? Was the funding for a similar purpose e.g. emissions reduction? If so, please provide details (include date, and project name).</i></p>	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
	Details (if yes):			
<p>5.5 Co-funding (if applicable) <i>Provide brief details of any co-funders for the project (i.e. source and amount) and list the inputs that are being co-funded by other stakeholders.</i></p>				

Glossary

Lead Implementing Organisation: The primary point of contact for the UK PACT Green Recovery Challenge Fund and the lead organisation of a consortium.

Partner Implementing Organisation: An organisation working with the lead implementing organisation within a consortium to deliver the UK PACT Green Recovery Challenge Fund project

Primary beneficiary groups: those organisations or groups of individuals that the project **directly** works with, who will benefit from the change that the project will deliver. For example, government, ministries, communities, regional or city level organisations, private sector associations, women's groups and marginalised groups.

Secondary beneficiary groups: those organisations or groups of individuals that the project **indirectly** works with, who will benefit from the change that the project will deliver. For example, government, ministries, communities, regional or city level organisations, private sector associations, women's groups and marginalised groups.

Beneficiary groups: those organisations or groups of individuals who will benefit from the change that the project will deliver.

Input: the raw materials that are used to deliver project tasks. Inputs can include money, technical expertise, relationships and personnel.

Impact: a higher-level strategic goal. UK PACT's intended impact is accelerated emissions reductions in target countries.

Logframe: A project planning and oversight tool consisting of indicators and milestones for key inputs, Outputs, Outcomes and impacts.

Output: the tangible and intangible products that result from project. These should be sufficient to achieve the project Outcome and be something that the project can guarantee to deliver.

Outcome: the benefits that a project is designed to deliver. The implementation and use of the Outputs.

Severe Risks: Risks that have a very high probability and a very high impact

Major Risks: Risks that have a high probability and a high impact

Her Majesty's Government: The Government of the United Kingdom

Checklist		
(Please note these criteria will be assessed as pass/fail – a fail against one of these criteria will result in the project being rejected)		
Do you confirm that your project would deliver in at least one of the countries eligible within the thematic funding round you are applying for and addresses the theme of the funding round?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Do you confirm you have read and understood the supporting material including the funding window description and the guidance note?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Do you confirm that you have read the draft grant agreement and you will be able to accept the terms (including payment in GBP in arrears) should you be successful?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Do you confirm that your project will contribute to a reduction in poverty, enhanced sustainable development and/or improved welfare of the country population?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
Do you confirm that the lead and partner organisations have the legal right to work in (all) the countr(y)(ies) the project is taking place in?	Yes <input type="checkbox"/>	No <input type="checkbox"/>
