# Enterprise Mobile Computers

## Leading-Edge Mobility for a Competitive Edge

# More People Trust Zebra Mobile Computers for Enterprise than Any Other Manufacturer in the World.

**For nearly 50 years, we have been the unmatched global market leader in rugged mobility.** Decade after decade, we've been committed in the long run to providing you with the best in enterprise technology. Zebra mobile computers are the culmination of billions of dollars invested in R&D and more than 4,200 patents, amassing dozens of industry awards for innovation in the last three years alone. The fact is that more organizations trust Zebra than any other manufacturer in the world, including nearly every Fortune 500 company.

**We are at the forefront of the Android™ revolution, the future of enterprise mobility.** From day one, we've been championing the migration of the enterprise mobility sector from legacy Windows® operating systems to Android. With the largest and fastest expanding portfolio in the entire market, we have the right commercial Android solution to fit your specific application.

**We deliver features and benefits no one else can.** Using decades of innovation, we design and optimize every mobile computer for real-world usability and harsh environments. And we back Zebra mobile computers with a powerful and exclusive suite of intelligent software, apps and utilities—Mobility DNA. With such expansive capabilities, Mobility DNA boosts productivity, smooths integration, simplifies and secures management and accelerates app development.

**When it comes to mobility, no one can push your performance edge like Zebra.**

**⁂ ZEBRA**

# Mobile Computers Are a Start.
## But a Complete Enterprise Solution Should Go End-to-End.

**Look beyond mobile computers.** Consider multi-tasking tablets, accurate scanners and steadfast printers that integrate easily, pair instantly and talk freely to one another. That's how you can make management, usage and sharing of critical information much more effective and impactful.

**What makes Zebra's edge-to-edge portfolio different?** Each device is strong alone. Yet together, they'll make your workers unstoppable.

# Mobility DNA

## With Mobile Intelligence, Performance is Touch ... and GO.
**Without embedded intelligence, mobile computers are more stop than go.**
Zebra's Mobility DNA not only empowers workers, but also meets the needs
of IT with the industry's most evolved and extensive suite of software.
And as your needs evolve, so too does Mobility DNA.
