# Pairing the Indie Health Weight Scale with the Life365 App
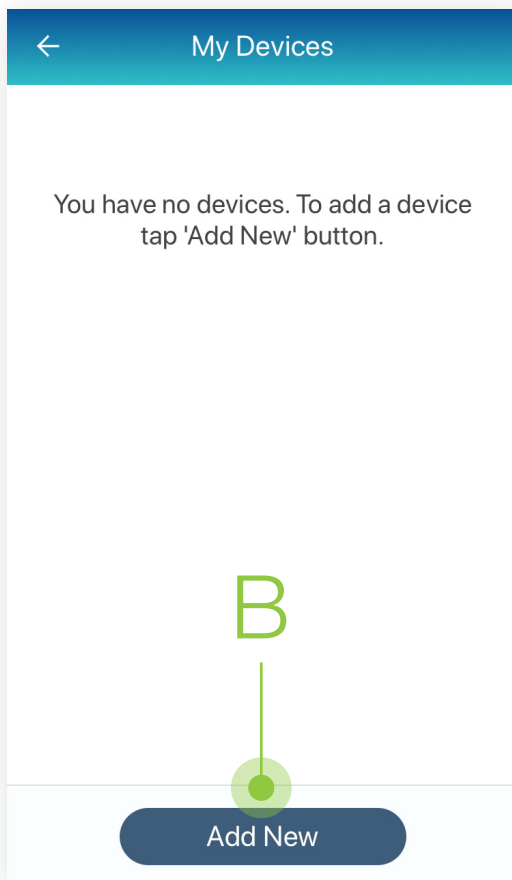

Follow Manufacturer Instructions for Use.
For additional assistance, contact your Care Provider.

1 Select the **Hamburger Icon (A)**, located in the upper left of the Life365 app screen. Select **My Devices**.

2 On the My Devices screen, select the button **Add New (B)**. The smart device will search for your Bluetooth device.

3 To pair, take a test reading by stepping on the Indie Health Scale. The scale will blink your weight reading **(C)**.

Step off the scale when the weight reading stops blinking.

4 Once found in the app, select the Bluetooth device **name (D)**.

Select the button **Add to My Devices (E)**.

This is an example. Device name displayed will reflect the Bluetooth device the user is attempting to pair.
