

Pairing the Philips Thermometer with the Life365 App

 Follow Manufacturer Instructions for Use.
For additional assistance, contact your Care Provider.

Version Update August 2020

- 1 Select the **Hamburger Icon (A)**, located in the upper left of the Life365 app screen. Select **My Devices**.

- 2 On the My Devices screen, select the button **Add New (B)**. The smart device will search for your Bluetooth device.

- 3 Press the power button (C) to turn **ON** the thermometer.

Allow a few moments for the Life365 app to find the thermometer.

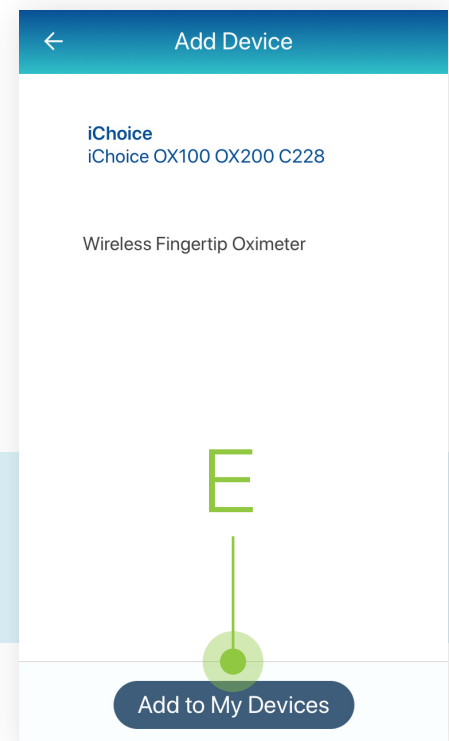

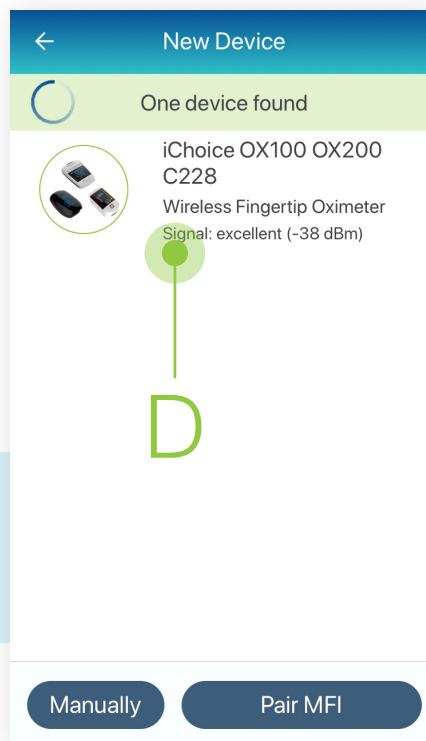

Pairing the Philips Thermometer with the Life365 App

- 4 Once found in the app, select the Bluetooth device **name (D)**.

Select the button **Add to My Devices (E)**.

This is an example. Device name displayed will reflect the Bluetooth device the user is attempting to pair.

Device pairing is now complete.
