Frequently Asked Questions

How does the InvestEd loan differ from other financing options available to me?

The InvestEd Student Loan is a product which supports young dreamers in-need by providing them loans to fund their educational needs. It is the only student loan product in the Philippines that incorporates coaching and mentoring, to help students achieve success and guide them through repayment.

<u>Is InvestEd duly registered?</u>

InvestEd is operated by EDUC4ALL LENDING INC., a corporation that has been granted a lending license by the SEC. Our Certificate of Authority to Lend and Certificate of Incorporation is available upon request. InvestEd is also duly registered with BIR and complies with all tax requirements. Our Annual Audited Financial Statements and Income Tax Returns are available upon request for all official lenders.

InvestEd is also compliant with the Truth in Lending Act (R.A. 3765). This means that we give full disclosure to all our student borrowers regarding all costs involved with their loan.

How and when do I pay my loan?

With our grace periods, you will be able to choose to pay your loan within 2–24 months after your loan gets disbursed. We receive payments through various mobile wallets, online banking and other payment platforms.

What are the other perks I get from the InvestEd loan?

Our borrowers are onboarded in the InvestEd Success Program and are partnered with a personal student coach. Good borrowers may also get discounted rates and exclusive offers to other loan programs to for professional development.

Are there any fees associated with my loan?

Yes, InvestEd charges a service fee of 22% of your requested loan amount, or P3000 (whichever is higher). For example, if your requested loan amount is P30,000, our service fee is P6,600 (22% of P30,000). Your principal loan, therefore, will total to P36,600, as it comprises of InvestEd's service fee added to your requested loan amount. This fee covers your loan administration over the entirety of your loan period and InvestEd's operating expenses, ensuring our sustainability for future borrowers like you.

How much is the interest?

At InvestEd, your loan will interest at 2.3%–2.9% per month. This is cheaper than most private lenders who have rates of 5% up to 30% per month, and often require payment to start immediately.
