Veronica

A close-up photograph of several purple anemone flowers. The petals are a vibrant purple with visible veins and some darker staining. The centers of the flowers are dark, almost black, and composed of many small, tightly packed stamens. The flowers are layered, with some in the foreground and others slightly behind, creating a sense of depth.

Lavender

A close-up, top-down view of a dense field of purple roses. The roses are in various stages of bloom, with some showing deep purple centers and lighter purple outer petals. The petals are tightly packed and layered, creating a complex, swirling pattern. The lighting is soft, highlighting the texture of the petals and the vibrant color of the flowers. The background is a solid, deep purple, making the roses stand out prominently.
