Add your library and location to the chat

If restrictions were lifted tomorrow, some 80% say they are unlikely to go out to public places that are likely to draw crowds.

The image is a composite of two parts. On the left, a computer monitor displays a Zoom meeting grid with 12 participants. On the right, a graphic titled "Online Programs" features a stylized city skyline with various colored buildings and a laptop icon showing a document. Below the skyline, the text "Online programs are here" is underlined, followed by "Chat, learn and engage with us virtually." and a "View 1" button.

Reimagine the future of library services

Ensure library users & staff feel safe

Offer mobile checkout

- | Borrow items with personal devices
- | **cloudLibrary checkout**

Quarantine returns

- | Utilize automated returns and bookDrops to ensure safety
- | **flex bookDrop + quickConnect**

Provide for vulnerable users

- | Offer library access at dedicated times
- | Provide digital access
- | **cloudLibrary content + open+**

Reduce physical contact

- | Provide touchless interactions
- | Provide digital access
- | **selfCheck and cloudLibrary content**

Expand delivery services

- | Offer borrowing via pickup lockers
- | Provide digital access
- | **remoteLocker**

Limit building occupancy

- | Limit users simultaneously in the library
- | Allow users to schedule appointments
- | **open+**

Grow digital collections

- | Expand digital collections with cloudLibrary sharing algorithm
- | **cloudLibrary content and cloudLink**

Grow digital collections and offer mobile checkout

Summit County remoteLocker Before and after COVID-19

March 13

Library closed

Branches close due to high level of cases in Summit County

March 13-26

remoteLocker available

Pickups skyrocket as users drive from all over county to pickup holds

March 27 – May 3

No holds pickup service

Ceased remoteLocker services at Henefer in accordance with local health dept. guidelines

May 4 - Present

remoteLocker + curbside

Facilities remain closed, remoteLocker + curbside available

Feedback from Henefer residents

“I work from home and I’m not always able to get to Coalville to pick-up books. The remoteLocker is within walking distance of my house. **It’s a great addition to our community.**”

“I love the remoteLocker system! With my work schedule, I don’t have an easy way to access the library, but **now I can request books and pick-up and return them at my convenience.**”

Provide for vulnerable and limit occupancy

					closed

Phase 1

Phase 2

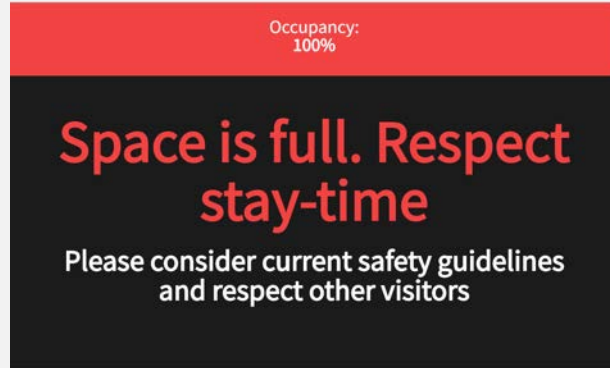

What is your library's ROI?

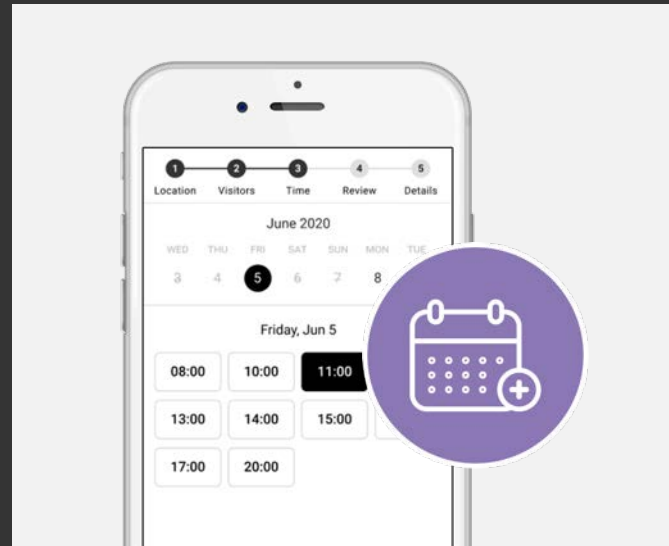

If libraries are open 52.8 hours on average,
that's only 31% of the week.

- | Answers to commonly asked questions, quick links and handy hints
- | We have selfHelp guidance and a helpDesk portal available through libraryConnect.com

Preparing your library for reopening

Technical considerations and guidance for bibliothecca solutions

To help you prepare and transition to a 'new normal' in advance of reopening your library, we've gathered answers to commonly asked questions, quick links and handy hints. Did you know you can log/manage your support cases online through the helpDesk support portal? [Request access here.](#)

How can your bibliothecca equipment help?

Reducing touchscreen interactions

To change your kiosk function to checkout-only mode or return-only mode, please see guidance below. Please note, if kiosk is not able to accept card payment then payment functions will also need disabling on the LMS. **Password for all links below: Bibliothecca2020.**

- | [quickConnect & liber8 software](#)
- | [Phoenix software](#)
- | [Disable cash payments](#)
- | [Disable customer pin functions](#)

Cleaning of equipment

For information on cleaning methods for bibliothecca solutions [click here](#).

Social distancing

Thinking of using the self-service kiosks to share social distancing messages? Onscreen promotional messages can be easily added to inform patrons while at the kiosk. [Click here](#) to access and download the detailed guide.

Moving of kiosks

Moving kiosks to new locations at the same site may not invalidate your support and maintenance contract, however please contact support-us@bibliothecca.com or support-ca@bibliothecca.com in advance if you plan to move equipment.

Preparing bibliothecca equipment for reopening

Self-service kiosks left on

Restart the unit. Allow for updates to be carried out a minimum of 24 hours in advance if possible. If the kiosk/s were not cashed up prior to closing – we suggest that you carry the reconciliation process.

- | Carry out basic functions such as:
 - o Check the print option is functioning if needed
 - o Check that barcodes and tags can be read

Purchase through government initiatives

- | Many frameworks are in place to make purchasing easier
- | Connect with your local rep to discuss options

Normalize your budget and prevent obsolescence

- | Move projects forward that might not be possible without financial assistance
- | From large automated projects to mobile checkout, we partner with Hitachi to meet your library's needs
