

Zeeco Products

Burners

- Process
- Power/Steam
- Package Burners
- Pilots
- Burner Management Systems
- HVW High-Intensity

Incinerators & Thermal Oxidizers

- Thermal Oxidizers
 - Acid Gas/BTEX
 - Sulfur Tail Gas
 - Multi-Stage Low NOx
 - Low Btu/Permeate Gas
 - Halogenated Waste
 - Liquid Waste
 - Downfired Salt & Spent Caustic Waste
 - Carbon Monoxide
- Direct Fired Air Heaters
- Waste Heat Recovery
- Packaged Thermal Oxidizers
- Sulfur Recovery Equipment
- Sulfuric Acid Decomposition Furnaces
- Retrofits
- Vent Stacks
- Pilots
- Controls & Instrumentation
- Secondary Air Pollution Control

Flares

- Non-Assisted/Utility
- Sonic
- VariJet
- Steam-Assisted
- Air-Assisted
- Gas-Assisted
- Liquid
- Vent
- Pit Flares
- Multipoint Staged Ground Flares
- Enclosed Ground Flares
- Wellsite Flares
- Fixed/Retractable Thermocouples
- Liquid Seals
- Knockout Drums
- Pilots
- Flame Front Generator
- High Energy Ignition System
- Zeeco Ignition Pellet System (Ballistic)
- Derricks
- Self-supported
- Guyed Systems
- Guyed Derricks
- Demountable Derrick

Vapor Control

- Flare Gas Recovery
- Vapor Recovery
- Vapor Combustors
- Biogas & Landfill Flares
- Power Generation

Combustion Rentals

- Vapor Combustion
- Flares
- Incinerators & Thermal Oxidizers
- Delivery/Set-up/Training

Scanners & Monitors

- Flame Scanners
- Flare Monitoring Systems

Aftermarket Products & Services

Zeeco offers replacements and upgrades of the following equipment:

- Flare Tips
- Flare Pilots
