OVATION 3

CASUAL FURNITURE DESIGNER FABRIC COLLECTION

With our DESIGN SELECTOR you get the possibility to combine all the Ovation 3 fabrics in an online tool. Be it body cloth or pillow throw, both can be chosen separately. This way you will gain a first impression of which fabrics fit the best together. Furthermore, you're able to embed this tool in your own website.

THE OUTDURA DIFFERENCE

Outdura's **OVATION 3** casual furniture fabrics offer proven quality, a soft hand, and lasting performance, and consists of an assortment of 121 fabrics: 40 dobbies, 16 stripes, 25 jacquards and 40 solids.

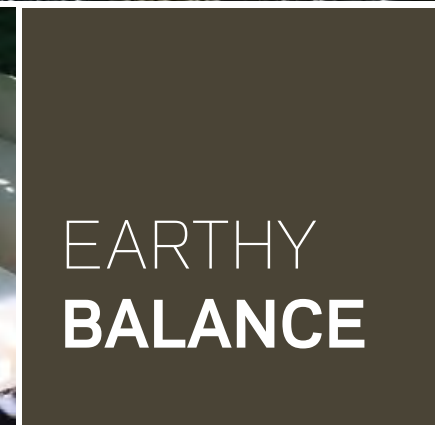

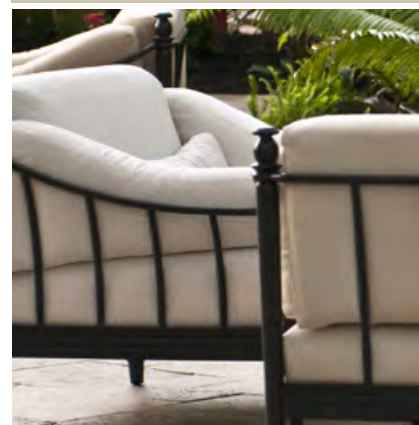

The **OVATION 3** fabrics are superior in quality, hand and performance. Commonly used in commercial and residential settings, they are perfect for indoor and outdoor furniture, draperies and umbrellas.

- Award-winning Fabric Designs
- 100% Solution-dyed Acrylic Fabric
- Fade Resistant
- Stain & Water Resistant
- Mold & Mildew Resistant
- Easy to Clean (bleach cleanable)
- Breathable
- High in Abrasion
- 100% Made in the USA (Hudson, NC)
- Cut Yardage Service
- Design Selector: Online Fabric Preview Tool
- 5-Year Warranty (visit www.outdura.com for complete warranty details)

OUTDURA: WHAT TO KNOW

FABRIC SPECIFICATIONS

Base Fabric	100% Solution-dyed acrylic
Standard Roll Length	55 – 65 yards
Finished Weight	8 – 13 oz/sq.yd.
Finished Width	54 inches

UV FADE RESISTANCE

UV protected Outdura fabrics resist fading and remain colorfast after sun and weather exposure exceeding 1,500 testing hours.

ABRASION RESISTANCE

Outdura fabrics stand up extremely well to surface wear (or rubbing against another fabric during normal day to day use) with up to 60,000 double rubs on the Wyzenbeek abrasion test scale.

WATER REPELLENCY

Outdura fabric’s water repellent finish makes it water resistant, scoring 90 of 100 on the strict AATCC spray test.

Note: Subject to change depending on technical upgrades. Values indicated without their specific tolerance levels are nominal values with a tolerance of ±5 %. All data presented is given to the best of our current knowledge for guidance purposes and is not legally binding. The technical data in the material data sheet is based on experience from current productions and does not constitute any quality agreement. This data refers to goods in originally manufactured condition without any processing or handling by the customer. The given data is for information only and merely serves as a guide. It will in no way release the customer from checking the suitability of the intended use or of any resulting liability, before processing and/or treatment.

Printing and typographical errors reserved. Possible color deviations between the photographic representation and the materials in nature are technical and printing-related.

CARE & CLEANING INSTRUCTIONS

CLEANING INSTRUCTIONS FOR NORMAL STAINS

Remove any loose dirt. Prepare a mixture of cold to lukewarm water, do not exceed 100° F (38° C), and mild soap. Rub in mixture with a soft brush and allow the mixture to thoroughly soak into the fabric. Rinse well with water and air dry. Do not machine dry.

CLEANING INSTRUCTIONS FOR STUBBORN STAINS

Remove as much surface dirt as possible. Soak fabric for 1 hour in a mixture of 1 gallon (4 liters) cold water, 1/2 cup bleach, and 1/2 cup mild soap. Rub in mixture with a soft brush and rinse thoroughly with cold to lukewarm water and air-dry. Never use water over 100° F (38° C). Do not machine dry. Detergents can be used on Outdura without harm; it may however remove some of the water and stain resistant properties. A simple spraying of a post cure fluorocarbon will restore these properties following the manufacturer’s instructions on the package. These sprays can be obtained through a dry cleaning supply store or stores that sell marine related products.

For more detailed cleaning instructions for difficult stains, please refer to the information on www.outdura.com.
