The Sattler 60" fabric collection is the preferred choice amongst fabricators who use it for awnings, boat covers, outdoor cushions, umbrellas and golf cart applications. Woven from 100% Solution-dyed acrylic, all Sattler fabrics provide the highest performance in the harshest climates with superior water resistance and durability. Sattler fabrics dry fast, clean easily and provide unprecedented protection from the sun.

Over 100 Years of Unmatched Quality and Performance

- Fade Resistant
- Mold & Mildew Resistant
- Breathable
- Stain & Water Resistant
- Bleach Cleanable
- High in Abrasion

FABRIC SPECIFICATIONS

Base Fabric	100% Solution-dyed acrylic
Standard Put-up	55-65 yards
Finished Weight	9 oz/sq.yd.
Finished Width	60 inches
Water Column	370 mm
Warranty	10 years

Note: Subject to change depending on technical upgrades. Values indicated without their specific tolerance levels are nominal values with a tolerance of $\pm 5\%$. All data presented is given to the best of our current knowledge for guidance purposes and is not legally binding. The technical data in the material data sheet is based on experience from current productions and does not constitute any quality agreement. This data refers to goods in originally manufactured condition without any processing or handling by the customer. The given data is for information only and merely serves as a guide. It will in no way release the customer from checking the suitability of the intended use or of any resulting liability, before processing and/or treatment.

CLEANING INSTRUCTIONS:

Normal Stains: Remove any loose dirt. Prepare a mixture of cold to lukewarm water and mild soap. Rub in mixture with a soft brush and allow the mixture to thoroughly soak into the fabric. Rinse well with water and air dry. Do not machine dry.

Stubborn Stains: Remove as much surface dirt as possible. Soak fabric for 1 hour in a mixture of 1 gallon cold water, 1/2 cup bleach, and 1/2 cup mild soap. Rub in mixture with a soft brush and rinse thoroughly with cold to lukewarm water and air-dry. Do not use water over 100° Fahrenheit. Do not machine dry. Detergents may be used on Sattler fabrics as a final step to remove stubborn stains; however doing so may reduce the fabric's inherent water and stain resistant properties.
