SCIENCE IS COOL

- 02:26:46 Scott Kiessig - SciC | PocketLab: Xochitl Garcia
<https://www.sciencefriday.com/>
- 02:26:55 Scott Kiessig - SciC | PocketLab: Drop your questions in the chat for the q&a section coming up!
- 02:28:10 Christine Graham: What elements can I apply to a typical lesson plan that would make it more like a game?
- 02:28:17 Dave | PocketLab - SciC: I need some old school right now ;)
- 02:28:31 MaVictoria Vaughn: fun fun fun
- 02:29:02 Tricia Seifert: Play, lose, learn, play again, and ultimately win! Learning is all about practicing for progress.
- 02:29:07 Jill Kraynek: Games let us think through strategies, not just learn facts.
- 02:29:16 Scott Kiessig - SciC | PocketLab: <http://www.nifplay.org/>
- 02:29:39 Mariam Nouri: Games model real world interactions and give us the opportunity to experience a concept
- 02:30:13 Valeria Moreira: Here there's some games, free and purchase:

- 02:30:29 Scott Kiessig - SciC | PocketLab: Drop your questions in the chat for the q&a section coming up!
- 02:31:52 Shirley Farrell: I have wingspan!
- 02:32:01 Christal Gamble: I NEEDED this game when I was teaching food chains 2 weeks ago during Shark week! - Mamasweetbaby
- 02:32:23 Jamie Larsen: The best, Wingspan! Based on data, and now a digital version.
- 02:33:01 Christal Gamble: My fellow Gameschoolers would love this! -
@Mamasweetbaby
- 02:33:17 Ms. T. D.: yes!!
- 02:33:32 Jessica Janusz: Do you need both to play ?

02:34:00 Deborah Shelvey: I play this with my sister!! and we are both in our 30's

02:34:38 Amanda Peters: Pandemic is also on Xbox, not sure about playstation

02:34:49 Mariam Nouri: It's been 18 months nobody wants to play pandemic with me.

02:35:01 Scott Kiessig - SciC | PocketLab: Jessica- can you elaborate on your question so I can queue it up for Xochitl

02:35:22 Christal Gamble: Lol! Cone snails attack! Lol - @Mamasweetbaby

02:35:32 Jessica Janusz: Do you need the original evolution board game in order to play the oceans game or can they be played individually?

02:35:41 Chris Zech: Will there be a list or link for all these games. I tried finding the Orca game, but haven't had any success.

02:35:44 Scott Kiessig - SciC | PocketLab: 👍

02:35:45 Carol Brieseman: Not sure about Pandemic right now. Great game but...we have anxious kids in our schools and this just adds to the load they are carrying

02:35:58 Christal Gamble: Yes! Prime Climb and Poof are also great Math Games. - @ Mamasweetbaby

02:36:35 Mariam Nouri: I have prime climb. It's pretty fun and has a smart design

02:36:40 Mariam Nouri: operation

02:36:59 Scott Kiessig - SciC | PocketLab: Drop your questions in the chat for the q&a section coming up!

02:37:05 Veronica Adame: operations

02:37:10 Nadine Bennetts: Yeah, Set!

02:37:15 Mark Grohman: There are a couple of cybersecurity card games you can Google.

02:37:20 Terri Williams: Where can we find these games?

02:37:27 Jessica Janusz: Terri - Amazon

02:37:41 Christal Gamble: I find mine in Target, Walmart or Amazon

02:37:41 Amanda Peters: Check local board game shops!

02:37:47 NICOLE WEIL: Can we get a list of all these games, or a copy of her presentation so we can find them later? @Carol. True. I wonder, though, if like the PTSD conversation earlier, if giving them some control over the pandemic might be a way in to deal with that anxiety or trauma

02:37:47 Mariam Nouri: Set is so simple and so great. It's also a quick game.

02:37:50 Sayda Mejia: interesting game

02:38:04 Jessica Janusz: Maybe we can put these games on the link list

02:38:27 Christal Gamble: The "A" in STEAM! -@Mamasweetbaby

02:38:36 NICOLE WEIL: Fluxx has a couple educational variations - Chemistry, Nature, etc.

02:38:49 Carol Brieseman: @Nicole - true!

02:39:09 Christal Gamble: Yes to Fluxx! -@Mamasweetbaby

02:39:22 Maria del Mar Diaz: Dixit is really cool!

02:39:49 Cecilia Cantor: There is any link for the first game of ecosystem or is also a board game?

02:39:55 Sarah Cukrowicz: My 8th graders loved Fluxx. My family likes Dixit.

02:39:56 Terri Williams: @ScIC Can we get a list of the game titles?

02:41:01 Deborah Shelvey: Sometimes you can find them in second hand shops. I find games can get pricey when you keep buying brand new.

02:41:09 Dave | PocketLab - ScIC: Hi Terri we will share all these links and names!

02:41:21 Jessica Janusz: Libraries often have games available too

02:41:23 NICOLE WEIL: @Dave Thank You!

02:41:25 Terri Williams: Yeah!

02:41:47 Dave | PocketLab - ScIC: You can thank Deborah Shelvey - she collates ALL these links, she is amazing :)

02:42:02 Deborah Shelvey: Hogwarts a history, is a great co operative deck building game
