

Paper PD: unlock the power of 24/7 academic support

Gain the support of 24/7 teaching assistants. Empower your students to take advantage of unlimited, always-on homework help, writing feedback and study support. Learn everything you need to make it happen—all in less than an hour.

You've got Paper. It's designed to ease your workload and give you extra bandwidth to teach more impactfully. It gives your students the extra helping hand they need both in class and after school—so they're always supported and you get the downtime you need & deserve.

Unlock the power of Paper with a comprehensive, self-directed PD program that's fast, fun and easy.

For teachers, by teachers

Experience a PD program focused on using Paper to support your instructional strategies both in class & asynchronously

Learn at your own pace

Take advantage of Paper's rich, 24/7 on-demand course to build your Paper skills and expertise—at your convenience

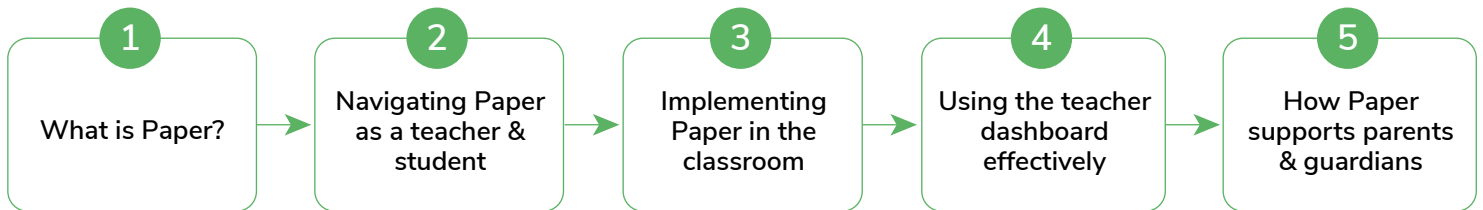

Gain accreditations

Start out by becoming a certified Paper Pro, then pursue additional accreditations until you've reached certified Paper trainer status

PAPER TRAIL

Engaging self-paced courses

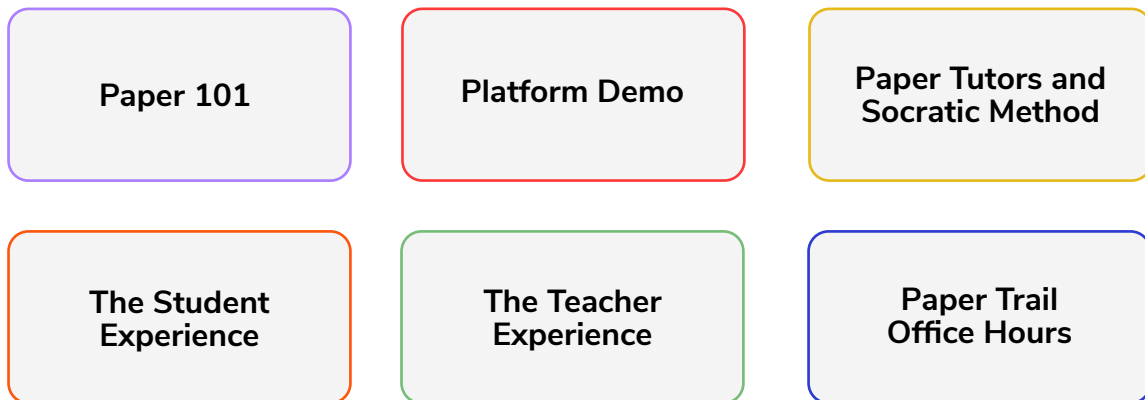

Master key concepts with **Paper Trail™**—Paper's bite-sized, 12 minute course modules loaded with engaging video, interactive content, practice exercises and rapid-fire mini quizzes.

PAPER Pointers

Unlimited interactive expert talks

Tap into experts & peers to discuss the most effective techniques for building great student habits and supporting you as a teacher. With the **Paper Pointers™** series, you can schedule yourself to join these interactive webinars delivered multiple times per week, every week of the school year.
