

## **THE CORNERSTONE CHRISTIAN SCHOOL STANDARDS OF CONDUCT**

I have accepted the Lord Jesus Christ as my personal Savior and agree that as a member of The Cornerstone Christian School faculty and staff, I will avoid the practices of smoking, using intoxicating liquor, using profane language, engaging in pornography at any level, immodest attire and unchristian conduct; I will so conduct myself that I will not be a stumbling block to anyone (Colossians 3:1-17). I subscribe, without reservation (unless noted and approved), to the Statement of Faith and these Standards of Conduct. I also affirm the biblical teaching that the only godly expression of human sexuality is within the covenant of marriage, defined as a lifelong covenant between one man and one woman. I affirm that homosexual practice is prohibited according to Scripture. I agree to uphold and enforce the discipline policies and rules of The Cornerstone Christian School. I understand that failure to do so would be grounds for dismissal as a faculty/staff member at The Cornerstone Christian School.
