

HELP! I DIDN'T GET THE EMAIL TO SET MY PASSWORD!

Sorry to hear you're having trouble! We really wanted your introduction to Planswell to be a piece of cake. Not to worry, we can get you back on track in no time! Simply follow these **3 steps**:

1

Please check your spam folder or junk file. We're new in your life and your inbox may have trust issues. It's common; we understand.

DID YOU CHECK YOUR SPAM FOLDER?

2

If you don't see it there, contact support@planswell.com. In fact, you can drop us a line any time something gets weird for you. We have a whole bunch of humans ready to help.

3

Check your spam folder for real this time. We're pretty sure it's in there.
