

# IPTV Operator

[SureVision](#) Sydney, New South Wales, Australia Hybrid

Part-time

We're seeking an IPTV operator to work at some of Sydney's best stadiums. SureVision specialises in Stadium Solutions. We offer an end-to-end service, from hardware installation to content delivery.

To name just a few of our clients, we work with:

- NRL
- AFL
- Cricket Australia
- Football Australia

The SureVision Sports Production team is energetic, passionate and dedicated to successfully delivering some of Australia's best sporting events. The team is steadily growing and we are now seeking an IPTV Operator to join our growing us.

## About The Position

We are looking for IPTV Operators to assist with day-to-day live event and presentation video operations at some of Sydney's premier sporting venues. In this position, you will help facilitate content programming and the IPTV/digital signage distribution of in-game arena entertainment and live events.

This is an excellent opportunity to share your expertise while learning more about this growing sports and entertainment organization that values your initiative and dedication! This is a part-time role based in Sydney, Australia with predominantly weekend work. At this stage, the role is casual, however there is potential for the role to become a permanent opportunity down the track.

Willingness and ability to provide proof of completed COVID-19 vaccination may be required due to stadium restrictions.

## Key Responsibilities

- Manage the IPTV content deployment
- Take the lead on software oversight and integration
- Managing and overseeing hardware updates, replacement parts, part-time / gameday personnel, connectivity, etc.
- Ensuring video content is properly programmed and distributed to the stadium systems per scheduled time and location
- Assist in content programming
- Provide quality control for all in-arena television content
- Ensuring all IPTV endpoints are on and functioning properly prior to scheduled events
- Other duties as assigned

## Required Experience & Skills

- Basic knowledge of distributed video systems, especially Triple Play and or Cisco IPTV systems
- Experience in scheduling software and spreadsheets
- Experience in motion graphics, animation, Photoshop is a bonus
- Familiarity with live sporting events and production; knowledge of sports arena control room a plus
- Excellent written and verbal communication with superior attention to detail
- Ability to balance multiple projects at once in a fast-paced work environment

## Physical Demands

- You will need to be able to maintain concentration and focus over long hours
- You will have the ability to sit for extended periods and walk long distances
- You will be able to push/pull/carry and lift up to 50 lbs.

## Time Commitments

- You must be able to work weekends (preseason, regular season and potential playoff games) and other stadium events.

## The Application Process

If you have what it takes to make this role a success, please send your resume to Luke Byrne: [luke.byrne@surevision.com.au](mailto:luke.byrne@surevision.com.au).

SureVision is a diverse and inclusive business and encourage anyone who fits the criteria to apply.
