

Hamaspik Medicare Select and Hamaspik Medicare Choice Monthly Plan Premium for People who get Extra Help from Medicare to Help Pay for their Prescription Drug Costs

If you get extra help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get extra help from Medicare. The amount of extra help you get will determine your total monthly plan premium as a member of our Plan.

This table shows you what your monthly plan premium will be if you get extra help.

Your level of extra help	Monthly Premium for Hamaspik Medicare Select	Monthly Premium for Hamaspik Medicare Choice
100%	\$0	\$0
75%	\$30.00	<i>Not applicable</i> *
50%	\$20.00	<i>Not applicable</i> *
25%	\$10.00	<i>Not applicable</i> *

Note: The amounts above do not include any Medicare Part B premium you may have to pay.

* Because all members of Hamaspik Medicare Choice must qualify for full Medicaid benefits in New York, all members are eligible for \$0 premium.

Hamaspik Medicare Select premium includes coverage for both medical services and prescription drug coverage.
