# HARIBO

Kids and grown-ups love it so  
the happy world of HARIBO!

Big and small kids all over the world become ecstatic when the cute little HARIBO Goldbears appear. Now they are conquering the keyrings of bear fans of all ages – as cute key chains. They are made by TROIKA, the globally recognised licence partner of Volkswagen, National Geographic, Lufthansa, Andy Warhol and others. Many of the high-quality licensed products even find their way to national and international collectors' fairs. HARIBO made by TROIKA: if that isn't a „golden handshake“ for the cute Goldbears!
