## Information Technology Credential Fair for Adult Career Seekers

### December 7, 2021
### 1 PM - 3 PM

Come get information and learn about training resources to help you explore IT Careers. This event will be virtual so you can do it from the comfort of your house.

- Learn about IT Career Pathways
- See what Certifications you can get
- Hear from Prem Jadhwani, who holds over 100 advanced IT certifications
- See an AI demonstration

Our Guest Speaker will be Prem Jadhwani, an IT expert who holds more than 100 IT credentials and who consults frequently to Federal, State and local governments. Learn how to plan your pathway for success in IT! Be sure to sign up in order to access to this live event!
