

# SHIPPING HIGH VOLUMES ACROSS CANADA? CPX IS A SERVICE TAILOR MADE FOR YOUR NEEDS

## What Is CPX and Why Choose It?

- Pay **local** shipping rates for shipping **across Canada**
- Induction at strategic hubs across Canada leading to **significant cost savings**
- Real time **customer service** and support
- **Door to door** tracking available
- Last mile delivery through **Canada Post** offering reach of over **2.7 million** Canadian addresses including apartment buildings and P.O. boxes in the rural areas
- **Daily pick-ups** from your door step in GTA (minimum volumes apply\*)

## How It Works

1. Pack the shipment, print labels and put it on the package →
2. eShipper picks up the package from your facility →
3. Package arrives at eShipper warehouse and shipped to Canada Post hub closest to destination →
4. Last mile delivery of package done by Canada Post

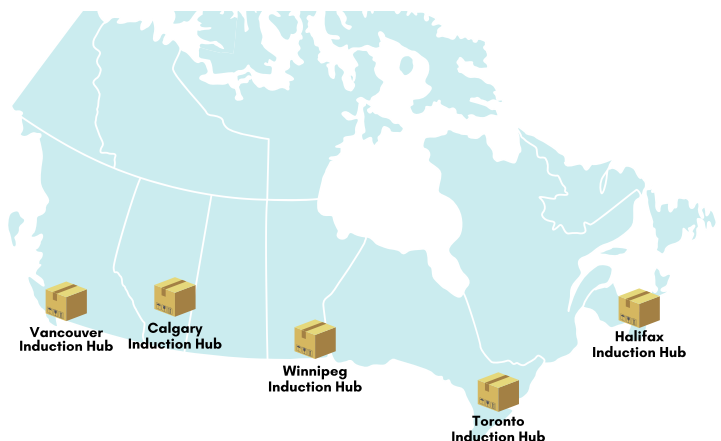

We directly inject packages into local hubs...

### CPX Shipping Strategy:

Our Distribution Centre is located in **Toronto**

### Induction hub locations:

Strategically located induction hubs **across Canada**

## Who We Are

- **One-stop shipping solution** – Domestic, US and International
- **20+ years** of supporting businesses of all scale
- **Over 1,000,000** shipments every year
- **100,000+** sqft warehousing facility in GTA
- **Dedicated** account managers with specialized service offerings

## Choose CPX If...

- Your business is based out of **GTA**
- You ship a minimum of **50 shipments** a day
- You are looking to **reduce shipping costs**
- Shipping a high number of packages to **Western and Eastern Canada**
