

**TASTING KIT**

# A tasting kit to test your skills

VBM presents the new Tasting Kit, designed for baristas who love experimenting with different doses to customise their brewing based on the type of coffee. Compatible with all VBM machines (except Replica Pistone).

# IN THE BOX

This kit includes 3 different branded competition filters, one branded competition shower screen, a bottomless portafilter and a filter remover.

3 different size electropolished IMS competition filters and a shower screen.
