## Ease of Setup

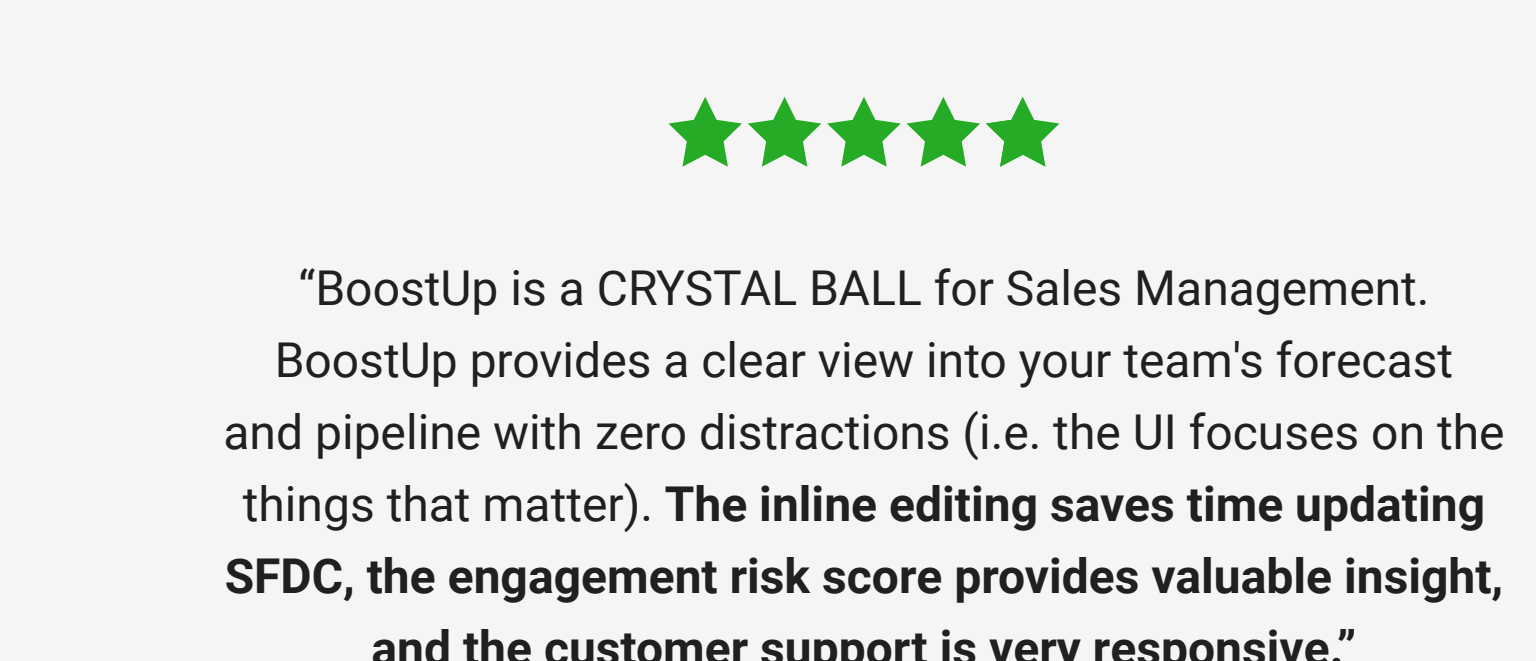

**"Incredible tool - whether you're an IC or Manager.** My primary use of BoostUp is understanding deal risk. Love being able to pick apart stages of my deal, understanding executive engagement, and identifying needs to multi-thread more."

## Ease of Doing Business

**"BoostUp is a CRYSTAL BALL for Sales Management.** BoostUp provides a clear view into your team's forecast and pipeline with zero distractions (i.e. the UI focuses on the things that matter). **The inline editing saves time updating SFDC, the engagement risk score provides valuable insight, and the customer support is very responsive.**"

## Quality of Support

**"BoostUp is a GAME CHANGER! The ease of use has certainly driven adoption.** It's also been an incredible boost (pun intended) to have predictive analytics, forecast trend data, and some powerful out-of-the-box reporting that helps me better understand the health and status of our pipeline."

## Ease of Use

**"Fastest and easiest forecasting tool in the game! BoostUp is an amazing tool that, from one interface, gives me both a macro and micro view of my team's forecast.** I can go deep on any deal and see a timeline of events/communication and next steps. I can review pipeline creation by rep by week and can visualize activity by day/week/quarter. Amazing!"
