	Major %	65%+	65%+	64%+	64%+	64%+	64%+	65%+	65%+

* Supporting Work includes Vocabulary, Performance Task, Activity, Chapter Practice, Centers

+ Additionally, it is vital to realize that the major topics presented in earlier chapters are revisited and woven throughout the remainder of the grade in the supporting and additional topics. For example, students apply the major work of Chapters 3, 4, 5, 7, and 9 when learning the supporting and additional work in later chapters.
