

The Ultimate Tool For Campus Safety

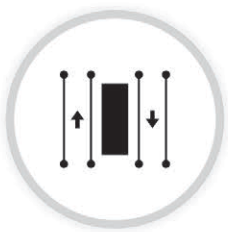

CONTACTLESS QUEUING

Have students lining up outside classrooms, cafeterias or buildings? Our portable safety barriers help keep everyone organized & safe.

CONSTRUCTION CLOSURES

Renovating a space? Our barriers effectively communicate when areas are closed to keep people safe.

CROWD CONTROL

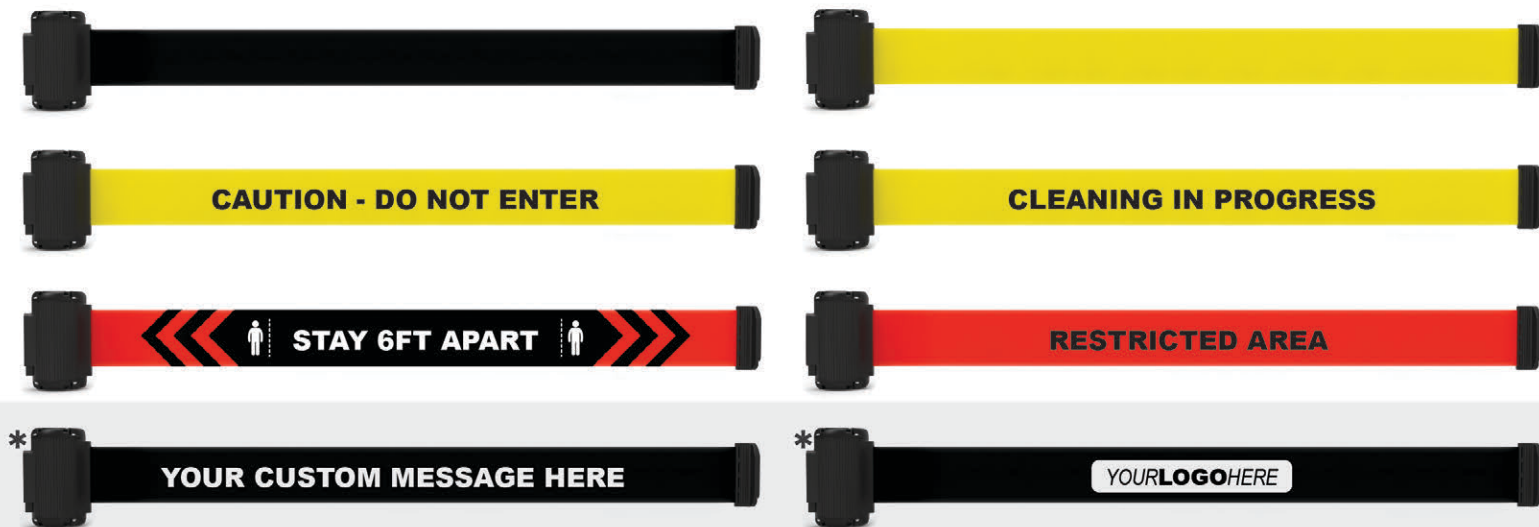

Creating organized traffic flow with a highly visible barrier system is a great way to keep people distant.

CLEANING AREAS

It's important to close areas while they're being cleaned.

CLEAR COMMUNICATION CREATES SAFER CAMPUSES

*EXTENDED LEAD TIMES & MINIMUMS MAY APPLY FOR CUSTOM PRODUCTS — CONTACT US FOR DETAILS

PERSONALIZE YOUR PRODUCT

Customize the stanchion color, belt message and add university branding.

ACCESSORIES

Add a sign holder or light kit to your system

2.5" WIDE POLYESTER BELT

Red, orange, yellow, black

INTERCHANGEABLE

Interchangeable belts easily allow for different messages

Highly Visible Barriers Promote Physical Separation

People are less likely to enter a closed space when there is a physical barrier present

Barriers with concise messaging remind people to stay apart

Organized queuing improves safety and reduces risk
