

THE ULTIMATE TOOL FOR CREATING SAFER SPACES

OSHA[®]
COMPLIANT

CONTACTLESS QUEUING

Have people lining up outside your store, restaurant or business? Our portable safety barriers can help people keep organized & safe!

CROWD CONTROL

Creating walkways with a high visible barrier system is a great way to keep people distant — and safe!

DEFINING AREAS

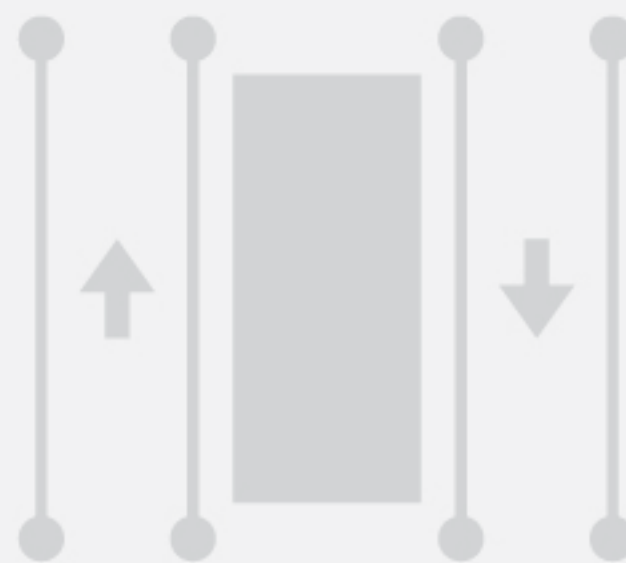

Our wall-mount barriers make closing off areas for cleaning & disinfecting quick and easy.

We have barrier systems to help keep your people safe!

CONTACTLESS QUEUING

Keep people in line and organized! Clearly communicate the recommended distancing guidelines to keep people safe.

CROWD CONTROL

Improve safety and reduce risk by organizing traffic flow to keep people safely distant.

DEFINING AREAS

Closing areas not only keeps people outside safe, it also protects workers in that area.

CLEAR COMMUNICATION CREATES SAFER SPACES

*EXTENDED LEAD TIMES & MINIMUMS MAY APPLY FOR CUSTOM PRODUCTS — CONTACT US FOR DETAILS
