## Wall Mounted Barrier System 15' Magnetic

Banner Stakes' Magnetic Wall Mounted Barrier System is the only barrier system in the market that comes with a built-in option of using powerful rare earth magnets or suction cups for mounting on magnetic and non-magnetic surfaces.

### Set Includes:

- (1) 15' retractable belt
- (2) suction cups

### Product Features and Benefits:

- 15' retractable belt is made of 2.5" wide polyester fabric
- Designed to be surface mounted when floor space is limited
- Attaches to magnetic and non-magnetic surfaces including but not limited to metal, stainless steel, glass, wood and plastic
- Largest selection of safety-related messages featured in bold black lettering
- Option to brand and customize colors/messages to fit your needs
- Rust-proof allowing you to use the barrier system for all of your indoor and outdoor applications

### Applications:

- Used for quick closure of docking doors, elevators, escalators, bathrooms, wide aisles, corridors, lock out/tag out of down equipment, electrical rooms creating an Arc Flash Boundary, and many other uses
