

# QLine Barrier System

**NEW!**  
PRODUCT

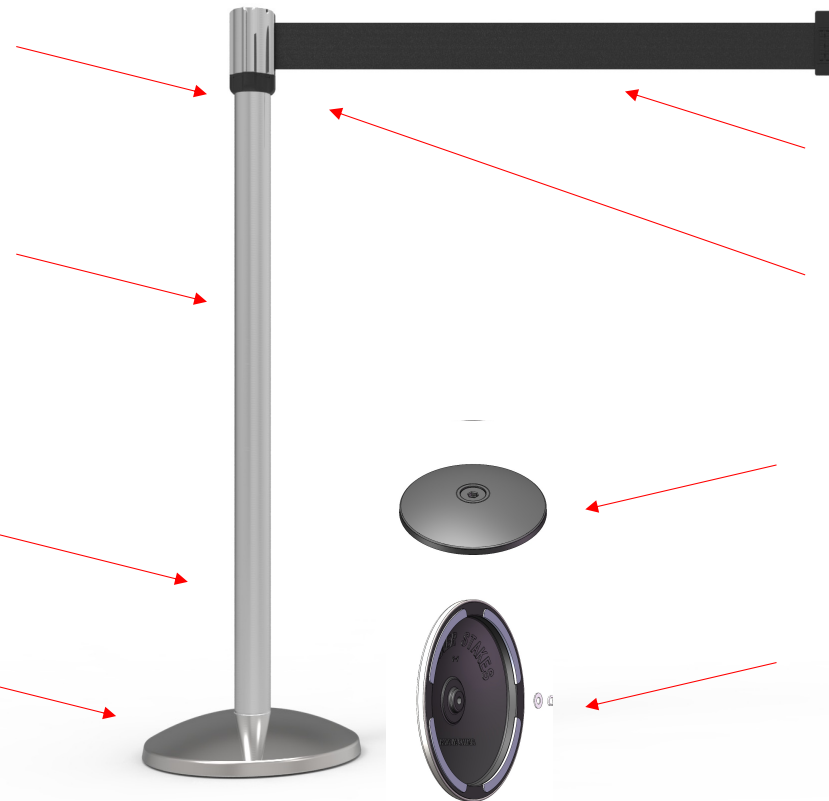

## Why Choose Banner Stakes QLine System?

**Self-contained belt** - easily change messages without having to purchase a whole new system

**Anodized Aluminum Post** – won't corrode or flake. Can be used indoors or outside. Variety of post options and finishes

**Reliable Assembly** – Post sits inside recess of base for greater stability. Will not tip or lean

**Stainless Steel Sheet Metal Covers** - standard finish for greater visual appeal.

**2.5" Wide Belt** – 25% larger than competitor

**Superior Braking System** - forces belt to drop to the ground and retract slowly to reduce risk of injury

**Cast Iron Base** – stronger and more durable. Will not topple over

**Rubberized Feet** – protects floors from scuffs and marks. Allows air flow after cleaning/mopping
