

Chapter 6 | Research and Development in Biotechnology

[6.1] Types of Biotech Molecules in Clinical Development – (2001-2007-2012-2017/2018).....	181
[6.2.1] Phase 3 R&D in Biotech, Types of Biotech Molecules in Phase 3 Clinical Development (3.21.2021).....	182
[6.2.2] Biotech Phase 3 Clinical Trials by Medical Discipline (3.31.2021).....	183
[6.2.3] Top Biotech & Pharma Companies Engaged in Phase 3 Clinical Trials for Biotech Molecules (3.31.2021).....	184
[6.2.4] List of ALL Worldwide Biotech & Pharma Companies Engaged in Phase 3 Clinical Trials for Biotech Molecules (3.31.2021).....	185
[6.2.5] Indications for Phase 3 Clinical Trials in Biotechnology (3.31.2021).....	189
[6.3.1] Biotech Molecules in all Clinical Trials (phases 1, 2, 3) (2017/2018).....	194
[6.3.2] No. of Biotech Molecules in All Clinical Trials by Medical Disciplines (2017/2018).....	195
[6.3.3] Top Companies with Biotech Molecules in Clinical Trials timeframe (at least 10 molecules in phases 1, 2 & 3) (2017/2018).....	196
[6.4.1] Vaccine Research Growth, Clinical Trials (Phases 1, 2, 3).....	197
[6.4.2] Vaccine Clinical Trials, Phase 3 Trials (3.21.2021).....	198
